

WORKS FOR ME

FAST, LIGHT AND POWERFUL SEBO DART

The SEBO DART featured with a unique turning swivel neck and an integrated hose handle, sets a new technical standard using the most modern techniques but also a higher standard as your new professional cleaner. An extraordinary material combination of synthetic and textile elements make sure that he also looks as prestigious as he works. The electric power head SEBO ET is available in two working widths. You can clean commercial areas conveniently and thoroughly, right to the last dust particle. The 3-step S-Class filtration, anti-allergy hospital-grade-filtration system is the perfect choice for customers with allergies and asthma.
